

## Chapter 24 – SUBDIVISIONS

### Sec. 24-126. Stormwater Pollution Prevention; Emergency Response.

(a) A person responsible for a facility or operation, or the emergency response of the facility or operation, who has information of any known or suspected release of hazardous materials which will result or may result in illegal discharges or pollutant discharges to a MS4 shall take all necessary steps to ensure the discovery, containment, and cleanup of such release. In the event of such a release the person responsible for a facility or operation, or the emergency response of the facility or operation shall immediately notify the ADEQ Emergency Response Duty Office or by contacting emergency dispatch services at 9-1-1.

(b) In the event of a release of non-hazardous materials, the person responsible for a facility or operation or the emergency response of the facility or operation shall notify the City Manager in person or by phone within 24 hours of such a release.

(1) Notifications in person or by phone shall be confirmed by written notice addressed and mailed to the City Manager within five calendar days of the initial in person or phone notification.

(2) Additional reporting to other agencies may be required. These agencies may include but are not limited to the National Response Center, Arizona State Emergency Response Commission, Maricopa County Local Emergency Planning Commission, and the City of Peoria Fire-Medical Department.

(3) The owner or operator of the establishment from which the discharge emanated shall also retain an on-site written record of the discharge and the actions taken to prevent its recurrence. Such records shall be retained for at least three years.
