

## CHAPTER 25 – WATER, SEWERS AND SEWAGE DISPOSAL

### Sec. 25-178. Regulation of Waste Received from Other Jurisdictions.

(a) If another municipality, or User located within another municipality, contributes wastewater to the POTW, the Director shall enter into an intergovernmental agreement with the contributing municipality:

(b) Prior to entering into an agreement required by this Section, the Director shall request the following information from the contributing municipality:

(1) A description of the quality and volume of wastewater discharged to the POTW by the contributing municipality;

(2) An inventory of all Users located within the contributing municipality that are discharging to the POTW; and

(3) Such other information as the Director may deem necessary.

(c) An intergovernmental agreement shall contain the following conditions:

(1) A requirement for the contributing municipality to adopt a sewer use Plan which is at least as stringent as the pretreatment provisions of this Chapter and Local Limits, including required baseline monitoring reports (“BMR’s”) which are at least as stringent as those set out in this Chapter. The requirement shall specify that such provisions and limits must be revised as necessary to reflect changes made to this Chapter or local limits;

(2) A requirement for the contributing municipality to submit a revised User inventory on at least an annual basis;

(3) A provision specifying which pretreatment implementation activities, including individual wastewater discharge permit issuance, inspection and sampling, and enforcement, will be conducted by the contributing municipality; which of these activities will be conducted by the Director; and which of these activities will be conducted jointly by the contributing municipality and the Director;

(4) A requirement for the contributing municipality to provide the Director with access to all information that the contributing municipality obtains as part of its pretreatment activities;

(5) Limits on the nature, quality, and volume of the contributing municipality's wastewater at the point where it discharges to the POTW;

(6) Requirements for monitoring the contributing municipality's discharge;

(7) A provision ensuring the Director access to the facilities of Users located within the

contributing municipality's jurisdictional boundaries for the purpose of inspection, sampling, and any other duties deemed necessary by the Director; and

(8) A provision specifying remedies available for breach of the terms of the intergovernmental agreement. The City shall have the right to take legal action to enforce the terms of the intergovernmental agreement (such as compliance with the contributing municipality's Code provisions) or to impose and enforce pretreatment standards and requirements directly against noncompliant dischargers in the event the contributing jurisdiction is unable or unwilling to take such action.
