

# CONSTRUCTION ALERT

## Beardsley Rd. & 83rd Ave. Intersection Restrictions September 11-13, and September 25-27

### Background

As part of the Beardsley Connector project, which establishes a Loop 101 connection at Beardsley Road, the Arizona Department of Transportation needs to reconstruct the intersection of 83rd Avenue and Beardsley Road. Reconstructing the intersection and other pavement upgrades on 83rd Avenue between Beardsley Road and Village Parkway will be one of the last phases of the improvements to 83rd Avenue that includes the installation of the new median, landscaping, right turn lanes and new signal at 83rd Avenue and Beardsley Road. The final phase will require the intersection to be closed for two weekends Sept. 11-13 and Sept. 25-27 and some night work to reduce impact to traffic.

**Access to businesses on either side of 83rd Avenue will be maintained.**

### Schedule

**6 a.m. – 2 p.m. Saturday (Sept. 11, 25)**

**9 a.m. – 3 p.m. Monday (Sept. 13, 27)**

Beardsley Road closed in both east and westbound directions and 83rd Avenue will be narrowed to one lane in both directions at the intersection.

**2 p.m. Saturday – 4 a.m. Monday  
(Sept. 11, 25)(Sept. 13, 27)**

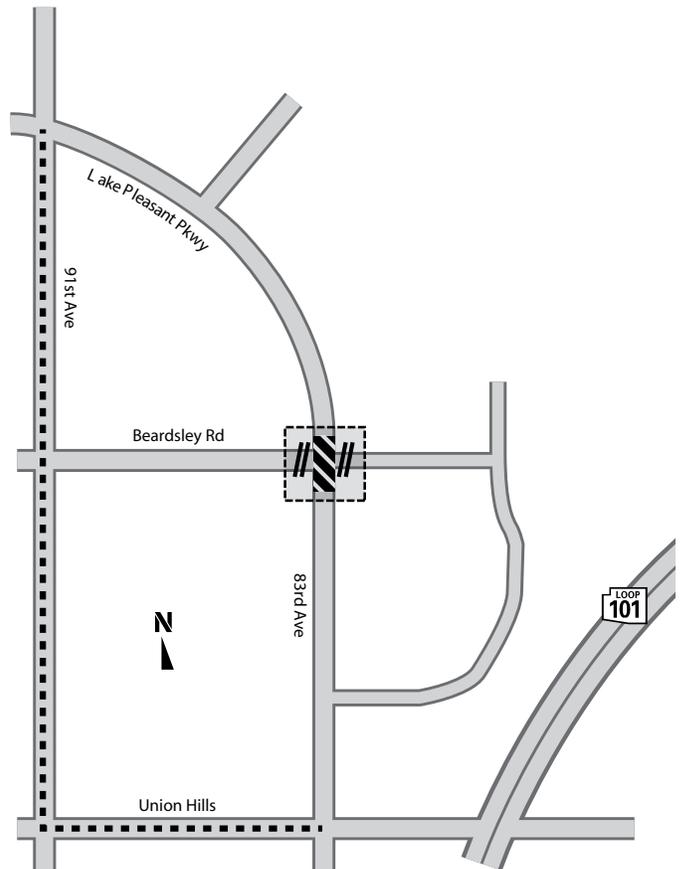

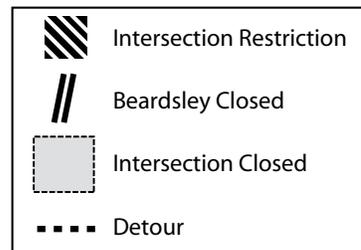

Intersection of Beardsley Road and 83rd Avenue closed to all traffic. DETOUR: Traffic should use 91st Avenue.

**4 – 9 a.m. Monday  
(Sept. 13, 27)**

Beardsley Road closed in both east and westbound directions and 83rd Avenue narrowed to one lane northbound and two lanes southbound at the intersection.

**9 a.m. – 3 p.m. Monday  
(Sept. 13, 27)**

Beardsley Road closed in both east and westbound directions and 83rd Avenue will be narrowed to two lanes at the intersection.
