

CONSTRUCTION ALERT

INTERSECTION CLOSURE Beardsley Road/81st Avenue May 24 – July 2, 2010

Background

As part of the current construction project on Beardsley Road to provide a new Loop 101 freeway connection, the contractor will be installing a new traffic roundabout at the intersection of Beardsley Road and 81st Avenue.

Construction of the roundabout is scheduled to begin May 24 and will take about six weeks to complete. During construction, the intersection of Beardsley Road and 81st Avenue will be closed.

Detour: During the closure, traffic may use 81st Avenue north to Lone Cactus Drive or south to Oraibi Drive for access to 83rd Avenue.

Pedestrian and bicycle access will be maintained on both Beardsley Road and 81st Avenue, though crossing locations will change in some locations.

The roundabout is one element of the Beardsley Connector Project, which will also extend Beardsley Road east of 81st Avenue to provide a new Loop 101 freeway connection via a frontage road. The project also widens Beardsley Road between 81st and 83rd avenues and makes other related improvements. This is a city of Peoria project being managed by the Arizona Department of Transportation.
