

Public Open House Briefing

on the Design Concept Report Update for

Lake Pleasant Parkway from Westwing Parkway to State Route 74

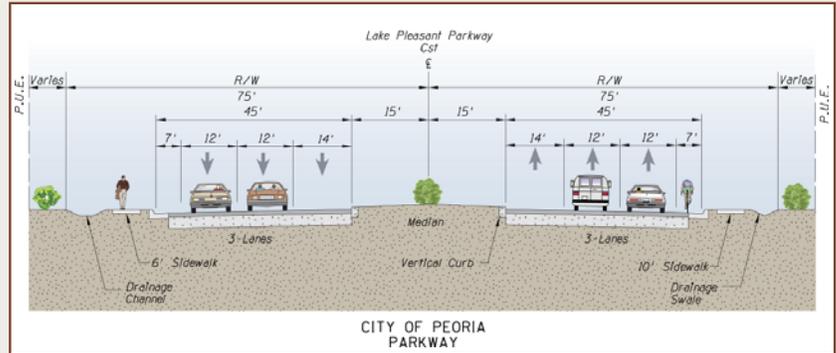

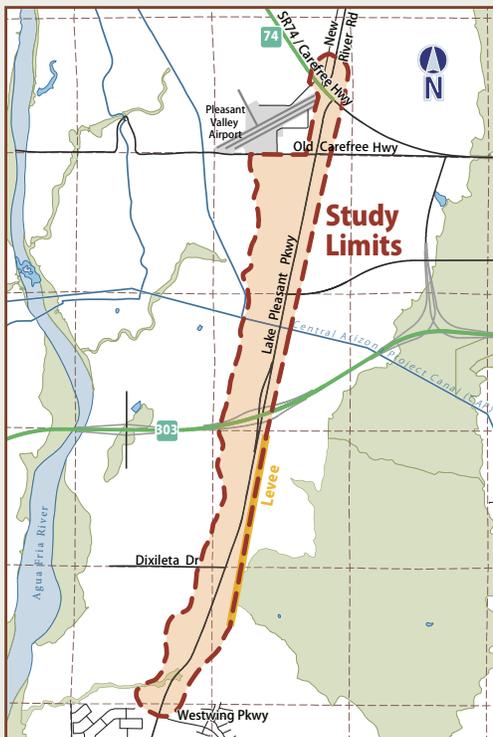

The City of Peoria is planning to improve Lake Pleasant Parkway from Westwing Parkway to SR 74.

The purpose of the Design Concept Report Update is to develop concepts for improvements to Lake Pleasant Parkway that:

- provide greater capacity and improved traffic operations
- accommodate increased traffic volumes from continued growth in the area

The City is seeking public input on concepts and improvements being considered.

We want your comments!

Major project features and items being considered:

- *Interim funded improvements from Westwing Parkway to State Route 303*
- *Intersection improvements at Westwing Parkway, Dixileta Drive, Old Carefree Highway, and SR 74*
- *Realignment of New River Road to Lake Pleasant Parkway*
- *New structure at CAP Canal*
- *New water and sewer lines*
