Under Arizona State law, commencing in October 2009, the residents will receive an additional charge on their property tax bill for maintenance of the landscape, irrigation and drainage improvements, located adjacent to and within the public rights-of-way and tracts. However, until such time as the Homeowner's Association fails, and the Council directs City staff to assume maintenance responsibility, the additional charge to the residents will be \$0.00. In accordance with State Statute, the City Engineer has prepared an assessment diagram and map, listing each parcel of property within the district.
