**2R PUBLIC HEARING – Rezoning, Osuna Park, Grand Avenue and Peoria Avenue, and 83<sup>rd</sup> Avenue and Washington Street**

Mayor Barrett opened the Public Hearing and asked if any Councilmember or citizen wished to comment on the request for rezoning approximately 2.23 acres from Central Commercial (C-3) and Core Commercial Mixed Use (CCM) to a Planned Area Development (PAD) to establish the standards for the improvement of two non-contiguous sites in the Old Town area: the Osuna Park site, located at the southwest corner of Grand Avenue and Peoria Avenue; and the Washington Street site, located west of the southwest corner of 83<sup>rd</sup> Avenue and Washington Street.

**Staff Report/Public Comment:**

Glen Van Nimwegen, Community Development Director, reported that staff initiated a request to rezone approximately 2.23 acres to establish standards for the improvement of two non-contiguous sites in the Old Town area. Mr. Van Nimwegen highlighted the purchase of the vacant Mobil gas station at Peoria Avenue and Grand Avenue by MS Holdings. To prevent a use inconsistent with the expansion of Osuna Park, the City acquired the Mobile site from MS Holdings and entered into a ground lease. Standards contained in the lease agreement obligate MS Holdings to: raze the existing buildings, invest a minimum of \$800,000 and construct 8,000 square feet of retail at Grand Avenue; invest a minimum of \$1.8 million and develop 15,000 square feet of retail/loft condominiums at Washington Street.

Mayor Barrett reminded the public that the request is for rezoning and does not pertain to the issue of moving or renovating the Women's Club.

Terry Ellis, City Manager, clarified for Council that the dollar figures outlined in the lease agreement are the minimum amounts MS Holdings is required to invest.

In response to questions from Council, Mr. Van Nimwegen confirmed that a neighborhood meeting regarding the zoning case was held at City Hall.

Priscilla Cook addressed Council in support of the rezoning to allow for new businesses in the area. Ms. Cook expressed her opinion that the rezoning will help to rebuild downtown Peoria.
