Mayor Barrett, City of Peoria  
8401 W. Monroe Street  
Peoria, AZ 85345

Dear Mayor Barrett,

We are pleased to announce that you were honored as a Clean Air Champion, along with six of your fellow Arizona Mayors, at our Legislative Breakfast at the State Capitol on February 26, 2008.

The Clean Cities Coalitions are chartered by the US Department of Energy with the goals of clean air under the Clean Air Act – and energy security under the Energy Policy Act. This year we have honored civic leaders, chosen by our stakeholders, who have effectively promoted these goals.

The City of Peoria was selected for the leadership demonstrated in the use of Clean American Fuel in your fleet operations – as well as the contribution of your staff in dedicating their time and effort to help improve the quality of life here in the Valley of the Sun.

Four of our State Legislators and two National Representatives were also honored along with other civic leaders who have helped lay the groundwork on Arizona's Road to Clean Air and Energy Security.

This, our fourth annual event, was sponsored by the Tucson and Phoenix area Clean Cities Coalitions in conjunction with The Arizona Department of Environmental Quality, APS and SRP.

We extend our congratulations to you along with your associates from the City of Peoria.
