SUBJECT: Award a Contract for the Construction of two complete Sports Complex practice field light systems and two future field electrical conduits.

RECOMMENDATION:

Discussion and possible action to approve an expenditure of funds using an existing Job-Order-Contract, No. 052142-01 with Sellers & Sons, Incorporated Building Contractors in an amount not to exceed \$472,000. The project is to include the installation of two complete field lighting systems and two conduit paths for future field lights. Funds are available in the FY 09 Capital project, Peoria Sports Complex Lighting project for this expense.

SUMMARY:

The authorization of this project will allow the Peoria Sports Complex to add two additional field lighting systems for night usage. The lighted fields will allow additional games to be played for little league, tournaments, adult baseball leagues, and special events. The systems will be energy efficient and cost effective to operate. The light systems will also minimize spill light and glare. A neighborhood public meeting is scheduled for Thursday, April 23, 2009.

Fiscal Note: Funds are available in the Peoria Sports Complex Lighting project account 4210-4210-543005-CIPPK-CS00092 CO (\$472,000).
