The purpose of this grant is to provide funding in support of services to victims of crime. **SUMMARY:**

The Department has completed its first year of funding through the ACJC to fund victim services. By combining this grant with funds awarded through the Arizona Department of Public Safety (DPS) 2008/2009 Victims of Crime Act (VOCA) grant program, the Department was able to fund a full-time Victim Advocate, who provided crisis intervention, support, and referrals to crime victims. This advocacy was made available to victims from the time a crime occurred until the case was closed or submitted for prosecution. In addition to providing crisis response and follow-up referrals, the Victim Advocate was responsible for recruiting, screening, training and supervising a team of volunteers assigned to the program.

This grant award is contingent upon receiving local matching funds. This requirement will be fulfilled by matching this grant with funding awarded through the Arizona Department of Public Safety (DPS) 2008/2009 Victims of Crime Act (VOCA) grant.

With continued participation in the ACJC Crime Victim Assistance program, the Peoria Police Department will be able to continue addressing the emotional and informational needs of victims of crime.
