

**CITY OF PEORIA, ARIZONA
COUNCIL COMMUNICATIONS**

cc: 14C
Amend No. _____

Date prepared: July 23, 2009

Council Meeting Date: September 15, 2009

TO: Carl Swenson, City Manager
THROUGH: Susan J. Daluddung, Deputy City Manager
FROM: Andrew Granger, P. E., Engineering Director
THROUGH: Dan Nissen, P. E., Assistant City Engineer
PREPARED BY: Chris Kmetty, P. E., Senior Civil Engineer

SUBJECT: Approval of the Arizona Public Service Design and Construction Services Contract and authorization of payment for the electrical facilities on the Happy Valley Road Drainage and Roadway Improvements; 67th Avenue to Lake Pleasant Parkway (Project No. P-0111, Budget No. PW00146, APS Work Authorization No. W399159)

RECOMMENDATION:

Discussion and possible action to approve and authorize the City Manager to execute the Design and Construction Services Contract with Arizona Public Service (APS) for the burying of overhead power lines, installation of street lights, and providing power to various traffic signals associated with the Happy Valley Road Roadway and Drainage Improvements and authorize payment in an amount not to exceed \$800,000.

SUMMARY:

The City of Peoria, as a part of improvements to Happy Valley Road from 67th Avenue to Lake Pleasant Parkway, had APS install and improve various facilities along Happy Valley Road. Staff has worked with APS to underground the existing power lines, install streetlights, provide power to new signals, and increase electrical capacity.

The following is a summary of electrical facilities that were identified to be installed, buried, or upgraded:
