

**CITY OF PEORIA, ARIZONA
COUNCIL COMMUNICATIONS**

CC: _____
Amend No. _____

Date prepared: December 9, 2010

Council Meeting Date: January 4, 2011

TO: Carl Swenson, City Manager

FROM: George Anagnost, Presiding Judge

PREPARED BY: Brenda Jordan, Court Administrator

SUBJECT: Approve Single Source Justification and Agreement to Advanced Public Safety as approved on December 7th.

RECOMMENDATION: Discussion and possible action to approve single source justification and agreement to Advanced Public Safety. The Municipal Court received funding in the amount of \$218,385 as approved by Council on December 7, 2010 to expand the use of electronic ticketing to install software into 90 PD vehicles. The City currently utilizes the Advanced Public Safety E-Citation electronic ticket citation system for the Traffic Service Unit (Motors). This Agreement with Advanced Public Safety will expand the current E-Citation to allow the officers in vehicles to electronically generate and submit citations to the Court. Staff recommends Council approve single source procurement authorization and agreement to proceed with the procurement of the Advanced Public Safety eCitation solution for the Police Department's Mobile Data Computers.

SUMMARY: Staff recommends Council approve single source justification and agreement to Advanced Public Safety. The business rules, business logic and the interface logic used to transfer electronic ticketing information from the computers in the patrol cars to the Arizona Administrative Office of the Courts AZTEC system which processes the transactions and returns them electronically to the Municipal Court's local AZTEC case management system and the interface in place to transfer the same electronic ticketing information to the Police Department's Records Management System contained in the Advanced Public Safety eCitation software for use by the Traffic Service Unit (Motors) will be the same logic used in the software for the officers in vehicles.
