

**CITY OF PEORIA, ARIZONA  
STAFF REPORT**

**RPT #: SS1**

**Date Prepared: February 17, 2011**

**Council Meeting Date: March 8, 2011**

---

**TO:** Carl Swenson, City Manager  
**THROUGH:** Susan J. Daluddung, Deputy City Manager  
**FROM:** Andrew Granger, P.E., Engineering Director  
**SUBJECT:** Council Chambers ADA Enhancements (PW10300)

**SUMMARY:**

Ed Striffler, Design and Construction Manager, will make a brief presentation to the Mayor and City Council on the final design solution and bid results for the Council Chambers ADA Enhancement project. The award of a construction contract for these improvements is currently scheduled for the March 22, 2011 agenda.

Concurrent with staff's completion of the design, permitting, and bidding of this capital project, staff have reviewed the feasibility of conducting study sessions within the Council Chambers. In addition to improving the transition between meetings, eliminating the duplication of broadcast infrastructure in separate facilities may offer an ongoing cost savings to the City.

Ed Striffler will present options and probable costs for a second phase of enhancements. The original ADA Enhancements portion of the project is scheduled for construction during Summer 2011.
