

Inspection Request Line

Inspectors are available from 6:00 am to 2:30 pm. Monday-Friday

Handout
515
Rev 9/16

To request an inspection, call **(623) 773-7220**: When prompted, enter the PERMIT NUMBER and THE 3-DIGIT INSPECTION CODE (see table below). As the system states the various choices, press the appropriate number to respond and continue your requests or to end the call. **Please provide a contact phone number when prompted to leave a message for the inspector.**

Requests must be entered prior to 12:00 AM of the date the inspection is to be performed. ***It is the permit holder's responsibility to have the approved plans on-site and readily available for the inspector.***

Online inspections are now available by logging on to: <https://devservices.peoriaaz.gov>

Any request to cancel an inspection for the same day must be done by contacting your inspector prior to 7:15 a.m. otherwise a reinspection fee and a day delay to reschedule the inspection will be applied.

Online Inspection Scheduling <https://devservices.peoriaaz.gov>

Procedures for scheduling a building inspection:

1. Open the following link: <https://devservices.peoriaaz.gov>
2. In the 'Building' tab click 'Schedule Inspection'.
3. Enter your building permit number in the permit window and click 'Search'.
4. Your building permit will appear at the bottom of the screen. Click the building permit number.
5. The inspection information will appear under the 'Inspections' category. Click 'Schedule' for the appropriate inspection.
6. Click the date you would like the inspection.
7. Click the 'Available times' icon.
8. Type any special instructions for the inspector in the 'comments' window. Please provide a contact phone number.
9. Click 'Schedule Inspection'
10. Your inspection is scheduled.

If you would like to schedule another inspection for the same permit click on the 'Return to Building Details' link and repeat from Step 5.

If you would like to schedule a building inspection on a different permit click on the 'Schedule an Inspection' link and repeat from Step 3.

If you have any questions call 623-773-7225.
