GROUP HOME CERTIFICATE OF REGISTRATION ZONING PROCESS GUIDE

January 2008

GROUP HOME PROCESS GUIDE FOR ZONING APPROVAL

Introduction

The City of Peoria has established requirements for those uses commonly referred to as “Group Homes”. As part of the requirements for State Certification, the applicant must obtain zoning approval from the local municipality. Before zoning approval is granted, the applicant must obtain a Certificate of Registration from the City of Peoria. For those homes that are registered with Maricopa County through the Foundation of Senior Living, zoning approval from the City is required. The following is a guide that outlines the steps necessary to obtain a Certificate of Registration.

Additionally, based upon the different types of group homes and the variety of zoning districts within the City, it is recommended that you obtain a copy of the specific zoning regulations for the proposed group home within a specific zoning district. Copies of the applicable regulations can be obtained from the Planning Division counter within the Development and Community Services Building, 9875 North 85th Avenue, or by contacting the Planning Division at 623-773-7200.

NOTE: THIS GUIDE IS INTENDED TO ONLY PROVIDE INFORMATION RELATIVE TO THE ZONING PROCESS TO REGISTER A GROUP HOME. OTHER APPROVALS ARE REQUIRED FROM THE BUILDING SAFETY AND FIRE PREVENTION DIVISIONS. IT IS RECOMMENDED THAT YOU CONTACT THESE DEPARTMENTS AT THE PHONE NUMBERS BELOW:

Review and Approval Process

Upon submittal of a complete application, Planning staff will review the proposed facility for conformance with City of Peoria Zoning Ordinance. The following information is required for a complete submittal.

Application Requirements:

- A. Application Form.
- B. Radius Affidavit Form
- C. State Zoning Approval Form

The Planning Division will review application to ensure compliance with the zoning ordinance. The primary review of the application is to determine whether or not there is another group home or other facility within 1,320 feet of the outside boundaries of the proposed location.

As part of the application the applicant must submit the Radius Affidavit. In order to complete this affidavit, the applicant must research State and County records to determine whether another group home or other facility exists within 1,320 feet from the subject property. The Planning Division also maintains a map of known group homes which may be consulted. The State, County and City records must both be researched by the applicant prior to submittal of the application. In addition, depending upon the type of group home and the number of occupants, there may be additional requirements.

License Revocation or Termination

In the event that the appropriate state licensing agency revokes or terminates an applicant's license, the certification of registration filed with the city shall be deemed to be revoked as of the date of the license revocation or termination.

In the event that the use is discontinued by the applicant, it shall be the responsibility of the owner/operator to notify the City of the discontinuation of the use.

Other Approvals

After the Planning Division has approved the Certificate of Registration, the applicant shall obtain the appropriate approvals from the Building Safety and Fire Prevention Divisions listed above.

NOTE:

REGISTRATION FEES ARE DUE AT THE TIME OF SUBMITTAL. FEES ARE ASSESSED ON A PER ADDRESS BASIS AND ARE NOT TRANSFERABLE TO OTHER ADDRESSES. PLEASE CONTACT THE PLANNING DIVISION TO DETERMINE THE ELIGIBILITY OF A PARTICULAR ADDRESS/HOME BEFORE SUBMITTING THE REGISTRATION APPLICATION.
