

**FIRE PROTECTION SHOP DRAWINGS SHALL BE DEFERRED  
UNDER THE FOLLOWING CONDITIONS:**

1. Stand alone building permitted from the ground up.
2. Tenant improvements of 10,000 square feet and larger
3. Tenant improvements that encompass the entire building within the exterior walls.  
To defer fire protection shop drawings, the plan reviews for the required conceptual fire protection plans will be based on Table 9-33(d) of the City of Peoria fire ordinance; “...*subsequent review on any plan...double permit fee*”.  
The deferred shop drawings will be reviewed on a per hour basis of \$100.00 per hour.
4. The deferred plans are required to comply with the BTR requirements for the State of Arizona.

For any questions regarding this, please contact Ron Beene, Senior Fire Plan Reviewer at (623) 773-7217.
