

Section 1- General

- 1.1 Scope. Fees for reviewing plans, issuing permits and conducting inspections relating to construction or installation of automatic sprinkler systems, fire alarm system, hood and duct fire-extinguishing systems and other fire- and life-safety systems for compliance with the Uniform Fire Code and other laws and ordinances, and other services provided shall be set by the Fire Department. The following contains a Uniform Fees and Charges Program for the City of Peoria Fire Department.

Section 2 – Permit And Service Fees Ordinance

- 2.1 Purpose. The purpose of this ordinance is to establish fees for specific Fire Code permits as defined in the Uniform Fire Code (UFC), as adopted by this jurisdiction and for the establishment of fees for service performed by the Fire Department.
- 2.2 Definitions. All terminology not defined in this chapter shall be defined as stated in the UFC as adopted by this jurisdiction.

Permits and Service Fees. A fee in accordance with the following schedule shall be paid to the Fire Department at the time of application for: (1) a RENEWABLE PERMIT, (2) and INSTALLATION or REMOVAL and ALTERATION PERMIT, (3) an ACTIVITY PERMIT, (4) any OTHER SERVICE, (5) any RECORDS, PHOTOGRAPHS or DOCUMENTS, or (6) a HAZARDOUS MATERIALS STORAGE PERMIT. Such fee shall not be refunded upon failure of an applicant to receive the permit. Failure to apply for necessary permits or services may result in an order from the Fire Marshal to obtain a permit or service.

Fees are payable upon permit application. Failure to pay for permit, plan review or inspection fees imposed by this fee schedule, within the time period specified, shall render such permit null and void.

EXCEPTION: These permit charges shall not apply to activities of nonprofit Corporations or civic or fraternal organizations that possess an Internal Revenue Service tax exempt status. However, these groups will be assessed plan review and inspection fees.

Section 3 – Standard Hourly Fee

There shall be a standard hourly fee of fifty dollars (\$50.00), with a one (1) hour minimum, charge for all inspection and plan review work unless specifically exempted.

All reinspections (follow-up inspections) shall be charged at the standard hourly fee with a one (1) hour minimum, unless otherwise specified.

All inspections, plan reviews and consultations shall be charged this standard hourly fee, unless otherwise specified.

The overtime hourly fee shall be one and one half (1 ½) the standard hourly fee, when the department is requested to review plans or conduct inspections outside of the normal work day.

Section 4 - Renewable Permit Fees

- 4.1 General. When an inspection or plan review is conducted by the Fire Prevention Division to ensure proper design, installation or permit compliance, the standard hourly fee for the first hour of inspection or the first hour of plan review, when required, shall be paid at the time of

application. Fees for subsequent hours of plan review shall be paid prior to the issuance of a permit. The permit fee shall be in addition to the standard hourly fee in accordance with Table 9-33(a) Renewable Permit Fees:

Section 5 – Inspection and Plan Review Fees for Installation, Removal or Alterations of Equipment

When an inspection or plan review is conducted by the Fire Department to ensure proper design and installation, the standard hourly fee for the first hour of inspection or the first hour of plan review, when required, shall be paid at the time of application. Fees for subsequent hours of plan review shall be paid prior to the issuance of the permit. Fees for subsequent hours of inspection shall be paid prior to issuance of a Certificate of Occupancy. All Fees shall be in accordance with Table 9-33(b).

Section 6 – Inspection or Plan Review Fees for Activity Permits

- 6.1 General. When an inspection or plan review is conducted by Fire Prevention to ensure proper design, installation or permit compliance, the standard hourly fee for the first hour of inspection or the first hour of plan review, when required, shall be paid at the time of application. Fees for subsequent hours of plan review and inspection shall be paid prior to the issuance of the permit. A separate permit for a specific period of time shall be obtained for each location where such operations are performed. The permit fees shall be in addition to the standard hourly fee in accordance with Table 9-33 (c)

Section 8 – Annual Hazardous Materials Storage Permit Fee

The annual fee is fifty dollars (\$ 50.00) per quantity range, based on quantities stored, manufactured, used in process, sold, transported or otherwise utilized in the form of liquids, solids or gases. When there are multiple forms the highest range will be used, as set forth in Table 9-33(d)

- (iii) Part IX Appendices, Division VI, Standard, is amended with the addition of the following new Appendix

Appendix VI-K -- Penalties.

Section 1 - General

- 1.1 Scope. This appendix is to determine penalty limitations for citations issued for violations under this code.
- 1.1.1 Violation of code. Any person who shall violate any of the provisions of this code or fail to comply therewith, or shall violate or fail to comply with any order made thereunder, or shall build, in violation of any detailed statement of specifications or plans submitted and approved thereunder, and from which no appeal has been taken, or who shall fail to comply with such an order as affirmed or modified by a City Hearing Officer or by a court of competent jurisdiction, within the time fixed herein shall severally for each and every violation and non-compliance respectively, be guilty of a class one misdemeanor, punishable by a fine of not more than Two Thousand, Five Hundred (\$2,500.00) dollars or by imprisonment, not to exceed six (6) months or by both such fine and imprisonment. Each day that a violation continues unabated shall be a separate offense punishable as herein above described.
- 1.1.2 Correction of violation. The application of the above penalty shall not be held to prevent the enforcement of the violation correction.

SECTION 13. Chapter 9 of the Peoria City Code (1992) is amended by repealing Section 9-35 pertaining to Establishment of District Limits and providing that Section 9-35 shall be reserved.

SECTION 14. Chapter 9 of the Peoria City Code (1992) is amended by enacting Section 9-43 pertaining to Fire Department; unlawful acts and providing that Sections 9-44 through 9-50 shall be reserved and which shall read as follows:

Sec. 9-43. Fire Department; unlawful acts

(a) It is unlawful for any person to refuse to obey an official order issued by the fire chief or designee.

(b) It is unlawful for any person to cause any obstruction to be placed within ten (10) feet of the entrance to any fire station or other place where fire apparatus is stored or with fifteen (15) feet of any fire hydrants.

(c) It is unlawful for any person to load or unload flammable liquids to or from a tank vehicle unless such loading and unloading can be done with the entire tank vehicle located on private property where the loading or unloading is done.

SECTION 15. Providing for Separability. If any section, subsection, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision; and such shall not effect the validity of the remaining portions hereof.

SECTION 16. Providing an Effective Date. This ordinance shall be effective in The manner provided by law.

PASSED AND ADOPTED by the Mayor and Council of the City of Peoria, Arizona this 18th day of July 2000.
