

Title: Environmental Program Manager

FLSA Status: Exempt

BRIEF DESCRIPTION:

The purpose of this position is to manage the environmental and industrial user activities for the Utilities Department and ensure water regulatory compliance with all local, state and federal requirements and to ensure the safety and public health of water services, which includes wastewater treatment compliance. This is accomplished by designing and implementing sampling schedules, ensuring permits are accurate and appropriate, managing cross connection and pretreatment programs, overseeing lab operations and compliance, managing the budget process, participating in planning, and developing relationships with departments and outside agencies. Other duties include participating on committees and task forces.
