

## **Teresa Leyba Ruiz, Ed.D.**

Dr. Ruiz has been an educator for 22 years, serving as a mathematics teacher at all levels of education, the last 16 years with the Maricopa County Community College District (MCCCD). In January 2011, she accepted a six-month interim assignment as an Academic Dean with Glendale Community College (GCC) where she was involved in the writing of an Academic Strategic Plan and the development of a Center for Teaching & Learning. Since July 2009 she has been serving as the Division Chair over the Mathematics, Science, and Engineering (MSE) Division at South Mountain Community College (SMCC). Other roles at SMCC include Faculty Senate President and Coordinator of the Higher Learning Commission Self-Study Reaccreditation process. Civic Responsibility and Global Engagement is a core strategic direction for the Maricopa Community College District and South Mountain Community College.

Dr. Ruiz earned a Bachelor of Secondary Education in Mathematics from Arizona State University, a Master of Education from Northern Arizona University and a Doctor of Education in Higher & Post Secondary Education from Arizona State University.
