

Coach Heinz Mueller of the National Champion Phoenix College Softball Team is teaming up with Peoria Girls Softball Little League and the City of Peoria for one of the most exciting winter camps of the year. Coach Mueller is in his 22nd year at Phoenix College. He will be bringing his experience, staff, and players to help supervise and instruct the event.

The camp will offer two days of skills workshops. Saturday's session will include such areas as; hitting, throwing, fielding, base running, offensive and defensive strategies. Sunday's session will be primarily for pitchers and catchers. This camp is a great way to get players ready for the spring season. Come see what it's like to be a college level softball player and learn from some of the best in the state.
